

General Notes
 (i) Hard copies, dwf and pdf will form a controlled issue of the drawing. All other formats (dwg etc) are deemed to be an uncontrolled issue and any work carried out based on these files is at the recipient's own risk. RPS will not accept any responsibility for any errors from the use of these files, either by human error by the recipient, listing of the un-dimensioned measurements, compatibility with the recipient's software, and any errors arising when these files are used to aid the recipient's drawing production, or setting out on site.
 (ii) DO NOT SCALE, use figured dimensions only.
 (iii) This drawing is a proposed RPS/RPS project. It is a preliminary design and is subject to change without notice. It is not intended to be used for construction purposes. It is the responsibility of the recipient to ensure that the design is suitable for the intended use and to consult with the relevant authorities before proceeding with the project.
 (iv) Information including topographical survey, geotechnical investigation and utility details is the design team's responsibility and is not to be used for construction purposes without the design team's consent.
 (v) All Levels refer to Ordnance Survey Datum, Mean Head.
