Morning Ian

As discussed previously discussed, there are sites which are incorrectly earmarked for the RZLT. Namely, sites which are marked as being liable for the tax from 01.01.2022 when in fact such lands were not zoned at such time.

I have reviewed and identified, but not limited to, the following:

- Strandhill – Parcel ID SOLA2430S050
- Ballisodare – Parcel ID SOLA2430B102

I would suggest Sligo Coco arrange a full review of all sites ear marked to check if this discrepancy has occurred on other lands over and above those listed above and liaise with the Department of Housing/Revenue to amend the commencement dates accordingly.

My contact address is listed below as per the requirements to make a submission.

Kind regards
