COVID -19 Community Response Forum Privacy Statement

As part of the National Local Authority Community Response, Sligo County Council have set up a dedicated community response helpline to ensure that all vulnerable members of our communities are appropriately supported as we move through the next stages of the response to the COVID-19 current public health emergency.

The Council's role as one of the agencies that comprise the established Community Response Forum is to ensure that there is a coordinated community response to enable all voluntary statutory agencies to collaborate in support of our communities and particularly of our most vulnerable members at this time of national public health emergency.

The dedicated Council Community Support phone number and email will help to ensure the safety and well-being of our communities and assist at risk members of the public in accessing non-emergency and non-medical support and advice during this period of the current public health emergency.

This Privacy Statement explains how Sligo County Council will process Personal Data collected through the Community Response call center during the Covid-19 (coronavirus) Pandemic.

The processing of Personal Data is governed by the Data Protection Act 2018 and by the General Data Protection Regulation.

What type and how will your Personal Data be collected?

Personal Data will be collected by Sligo County Council employees when you seek assistance through the Community Response Helpline. This data will be submitted by you either through the telephone, web form or by email.

The types of personal data that you may be required to provide to the Council staff manning the helpline will be as follows,
