RE: Errata – Screening for Appropriate Assessment, Sligo Airshow, Sligo Airport

Dear Barry ,

It has come to our attention that the Screening Report for Appropriate Assessment for the proposed Sligo Airshow at Sligo Airport contains an error with reference to spatial relationship between the location of the Cummeen Strand SPA and Cummeen Strand/Drumcliff Bay SAC.

The error relates to text presented in Section 5.2 (p. 10).

All text occurring between the text commencing with:

“The European Sites occurring in the wider area surrounding the project site

and terminating with:

“The next nearest European Site to the project site is the Cummeen Strand SPA, located approximately 360m to the east of the project site”

is in error.

To confirm the red line boundary relating to the Sligo Airshow overlaps with the Cummeen Strand/Drumcliff Bay (Sligo Bay) SAC and adjoins the Cummeen Strand SPA. Figure 1 below illustrates the spatial relationship between the airshow red line boundary and these two no. European Sites.

Notwithstanding the error set out above, we can confirm that the examination presented in the screening report for Appropriate Assessment has been completed with respect to the actual spatial relationship of these two no. European Sites and the proposed airshow, as shown on Figure 1. As such the conclusions reached in the Screening Report for Appropriate Assessment are in no way undermined by the above error and are considered by DEC Ltd. to be valid and accurate.

Please do not hesitate to contact me if you have any further queries regarding this matter.

Kind Regards

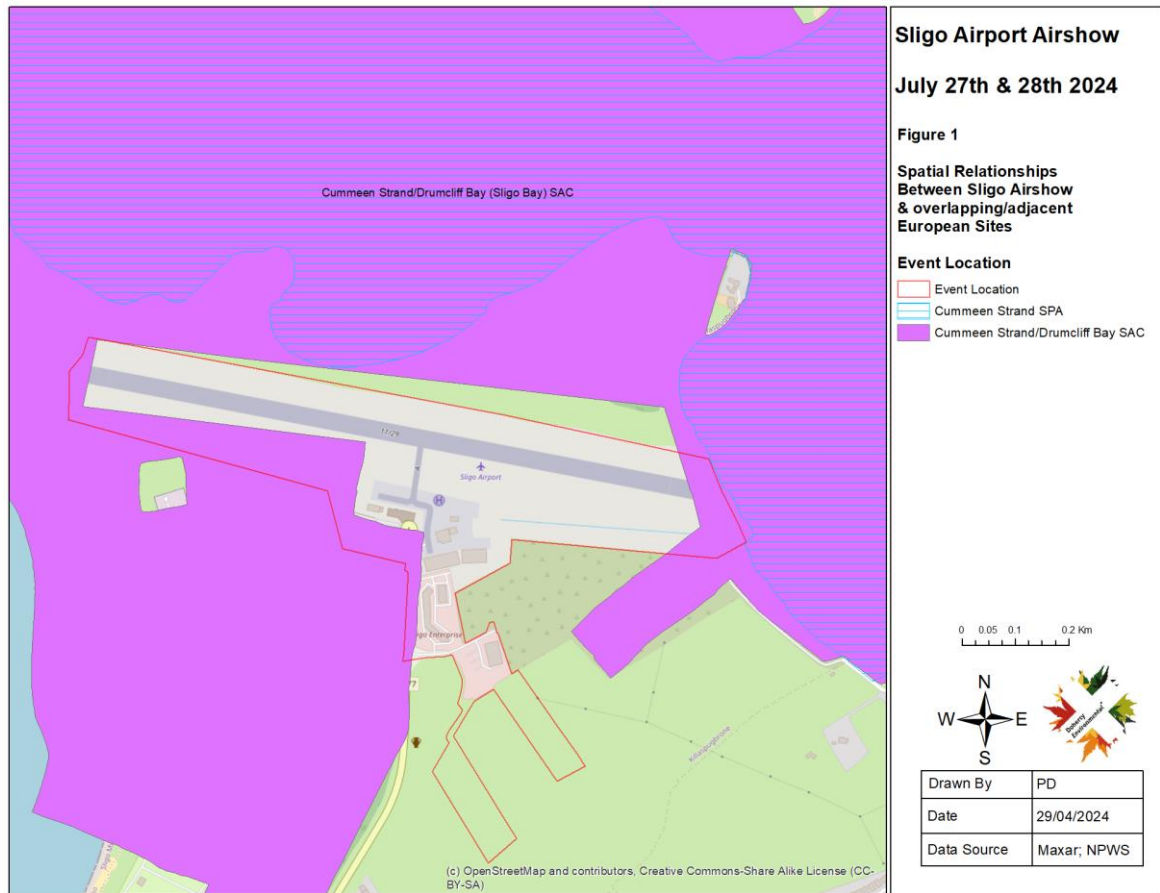

Mr Pat Doherty, BSc, MSc, CIEEM
